Details to follow**

*Hudson Valley Area Labor Federation
1st Annual Family Fun Day*

*September 18, 2021
1:00 P.M. - 5:00 P.M.*

Request for Sponsors

As both the summer of 2021 and the COVID-19 pandemic are waning and coming to a close, we thought we would gather together with our families to relax and get reconnected for the important work that lies ahead of us as labor, community and political allies.

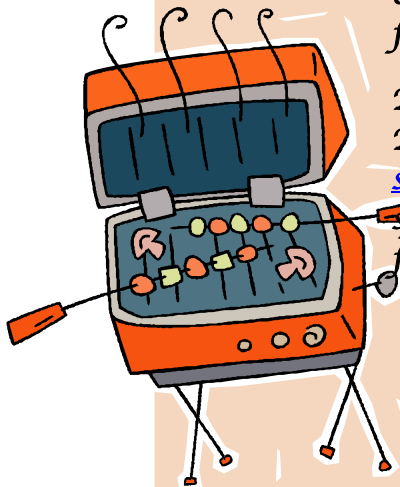

What better way to enjoy good food and have fun with our families and friends than to have a barbecue and family fun day.

In order for us to make this day happen with lasting memories for all who come, we need your support in sponsoring the event. The sponsorship levels are as follows:

*Bronze - \$100
Silver - \$250
Gold - \$500*

The names of the sponsors will fly high on our banner and be found on the table placement cards. There will be an HVALF-sponsored table for you to share your literature or giveaways.

Please contact Sandy Oxford, HVALF Director at (845) 567-7760 or soxford@hvalf.org if interested in helping to sponsor what will be a good time for our families and friends.
